With more players and teams in Baltic than in any other year, we are **NEEDING** more volunteers to fill numerous rolls. Even if you are not comfortable coaching, please consider helping in other roles. (setting up fields/equipment, managing batters, preparing players, helping catchers with equipment, help with practice stations) Some people prefer coaching and not organizing. Some people are just the opposite, but we need to fill numerous roles and with your help, we can do it. Please indicate how you can help, BAA representatives will be reaching out to you.
