I hereby grant permission for my child to participate in this program and clear its volunteers of liability or claim. Coaches are not responsible for getting players to and from games.

Parent/Guardian signature: \_\_\_\_\_ (REQUIRED)

***This program provides NO medical insurance coverage for participants.***

We need parent volunteers to make this a success. Several T-ball coaches have other kids and other commitments, including coaching responsibilities on other teams within this organization. Therefore, **each child is expected to have at least one parent to help at the games.** Knowledge of the sport is unnecessary, as this is introductory level. Opportunities to contribute include bringing equipment to/from games, setting up fields/equipment, managing batters, preparing players "on deck", guiding base runners, and assisting fielders. Remember, "*many hands makes light work*"!
